**77% OF WORKERS
UNDER 35 LEAVE THEIR JOBS
because of caregiving duties.²**

Torchlight's one-stop, comprehensive parenting and caregiver support includes:

- + Finding care options for a loved one
- + Sourcing childcare and backup care
- + Delivering educational content from mental health experts
- + Procuring doctors, therapists, and other service providers
- + Sharing expertise to navigate a new diagnosis
- + Explaining options for wills, trusts, and estate plans
- + Nurturing wellbeing for parents and caregivers
- + Accessing live and on-demand webinars
- + Providing expert-led tools and guides addressing hundreds of topics and concerns

"We knew Torchlight was a natural fit for us. The ability for Torchlight to scale its' resources across our entire employee population and to provide a custom journey to meet the unique needs of each employee's caregiver challenges was one of the main drivers for adding them as an employee benefit."
