

Caring for your caregivers is good for business

The number of employees juggling caregiving responsibilities is staggering. With nearly 40% of caregivers leaving jobs due to these demands, supporting their wellbeing can't wait. Torchlight can help.

Torchlight: Your guiding light for parenting and caregiving

Torchlight provides expert guidance through on-demand digital resources and advising services for a full range of caregiving challenges—no matter the age, stage, or concern. With Torchlight, your members can find balance, stay engaged, and contribute their best work.

Your one-stop-shop across every stage of life

Our solution supports members wherever they are in their journey, covering hundreds of caregiving topics, including:

FAMILY PLANNING

Fertility, pregnancy, childbirth, post-partum health.

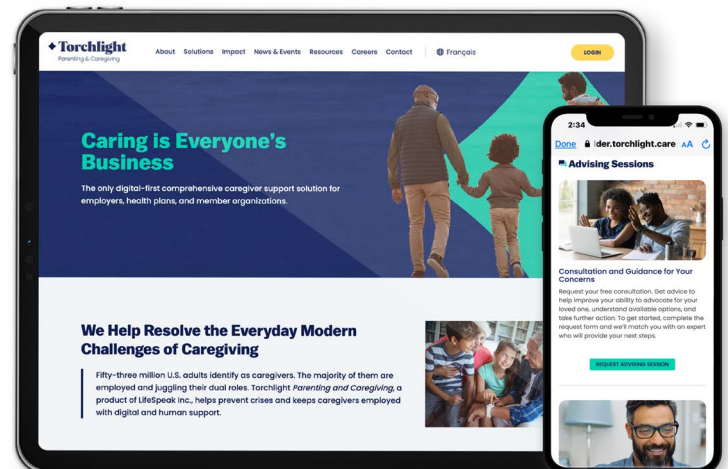

PARENTING

Social skills, behavior, special education, screen time.

ADULT CARE

Dementia, long-term care, aging, family dynamics.

Why Torchlight?

Whether members are looking for self-service support or expert advising, Torchlight has it all.

ON-DEMAND EXPERT RESOURCES

Support decision-making with thousands of education materials, guides, and tools.

WEBINARS AND EVENTS

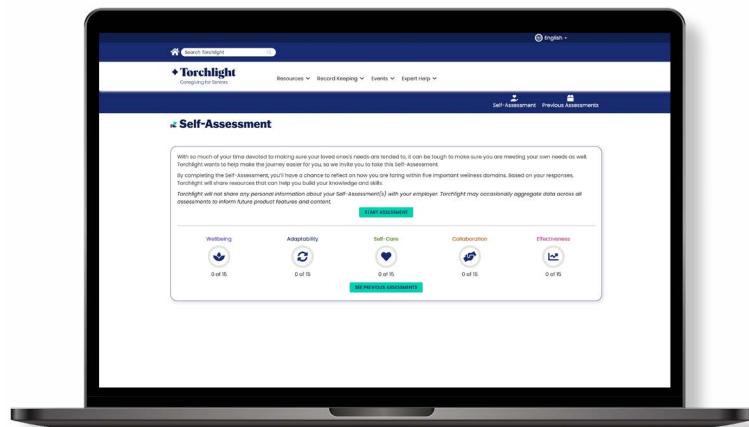

Learn from our experts in our live and on-demand webinars and events.

FREE, UNLIMITED ADVISING SESSIONS
